

## Brief Vitae

Bandar Abdulrazaq Alwushayh

**Address:**

Saudi Arabia,  
Civil Engineering Department- Jouf University

**Mobile:** 0544421235

**Email:** Baalwushayh@ju.edu.sa

### Education

Degree	Specialization	Country	University	Year
MSc.	Environmental Engineering	USA	University of Dayton	2017
BSc.	Civil Engineering	KSA	Jouf University	2013

### Academic/Non-academic experience

Job Title	Institution	Date
Lecturer	Jouf University	2022-Present
Teaching Assistant	Jouf University	2014-2021
Engineer of Constructional Heritage	Saudi Commission for Tourism and National Heritage	2013-2014

### Briefly list of publications and presentations

Research Title	Type (Journal / Conference)	Journal / Conference Name	Date
Modeling and Analysis of Cutoff Wall Performance Beneath Water Structures by Feed-Forward Neural Network (FFNN)	Journal	Water	2023
Synthesis and Characterization of Nanometal Oxide-Biochar Derived from Date Palm Waste for Adsorption of Manganese and Iron from Contaminated Water	Journal	Water	2023

Adsorption of Diphenolic Acid from Contaminated Water onto Commercial and Prepared Activated Carbons from Wheat Straw	Journal	Water	2023
Numerical Investigation of the Hydraulic Impacts Induced by a Bioreactor Installed in a Contaminated Waterway	Journal	Water	2022

### Committees and Units (Briefly)

Committee/Unit Name	Date	Position	Organization
Examination Unit	2023	Member	College of Engineering
Questionnaires Committee	2023	Member	College of Engineering
Program Quality and CQI Committee	2023	Member	Civil Engineering Department
Survey Committee	2023	Member	Civil Engineering Department
Facilities and Resources Committee	2023	Member	Civil Engineering Department

### List of recent professional / academic development activities

Title	workshop /seminar/ training course	Date	Place	Organization
How to Publish in Highly Rated Journals	Workshop	06-2023	Jouf University	SDC
Using Excel to Analyze Scientific Research Data	Workshop	06-2023	Jouf University	SDC
International Conference on New Trends in Renewable Energy and Environment for 2030 Vision (ICNTREE 2023)	Workshop	01-2023	Jouf University	College of Science in Jouf University
Scientific Publishing in WOS and Scopus	Workshop	06-2022	Online	SDC
