**Program's Mission**

Program's Mission <input type="checkbox"/>	College Mission <input type="checkbox"/>	University Mission <input type="checkbox"/>	م <input type="checkbox"/>
<p>Catering for the job market's needs for the field of Arabic language, and providing an environment supporting learning teaching and community development</p>	<p>Catering for the job market's needs for specialities in the field of Arts, and providing an environment supporting learning, teaching, scientific research, and community development</p>	<p>Presenting distinguished scientific research outcomes for community development <input type="checkbox"/></p>	<p>١ <input type="checkbox"/></p>
<p>The program's mission is compatible with both the University mission and the college mission, since the college of Ars, with all its programs, is considered a natural extension of the University's aspirations for high standards of scientific research and community service in order to meet the criteria of quality and academic accreditation</p>		<p>Compatibility <input type="checkbox"/></p>	<p>٢ <input type="checkbox"/></p>

**Goals of the program: (these are long-term goals, and  
(could be partly, if not wholly, achieved**

**First, the program becomes one of the best BA programs in .  
Arabic, in Saudi Arabia and the whole region**

**Second, the program will pioneer the preparation of qualified  
skills in the fields of Arabic language and literature in order to  
meet job market's needs**

**Third, the program will excel in providing serious scientific  
research that would meet the needs for developments in the  
Kingdom**

**Fourth, contributing to the enhancement of community  
cooperation**
