

## Search in the catalogue of Al - Jouf University libraries

### How to search for a book in the library catalogue?

The beneficiaries are able to search for the information sources in the library whether it is (books, scientific letters, periodicals, manuscripts, dictionaries, encyclopedias) through the electronic catalogue of the libraries (The catalogue available online through internet, which can be access through In-campus or Off-campus). [The catalogue of the libraries of Al-Jouf University](#) is a bilingual (Arabic and English) in terms of the interface that enables the beneficiaries to switch the language and choose the suitable resources according to their needs. The beneficiaries can also search for the title of the book either in Arabic or English through the search icon. Beneficiaries can also reserve a book through [reservation service](#).

First, you must enter the catalogue page by clicking the following link:
