

Preface

The mission of Al-Jouf University is to provide educational and research outputs for community development, and to achieve this mission, the university has specific plans and mechanisms for community partnership that reflect its strategic directions and it is consistent with its nature and mission, as it establishes effective cooperation partnerships with the local community and professional bodies, different work sectors and graduates to know about the societal requirements that are being developed.

Policy

Al-Jouf University allows external beneficiaries such as graduates, employers, and professional bodies active participation in planning and developing institutional and programmatic performance and supporting its activities.

Procedures for implementing policies

- 1- Al-Jouf University invites employers, professional bodies and various work sectors to join the advisory committees for academic programs to contribute to the development of those programs and their relevance to the labor market.
- 2- Al-Jouf University communicates with graduates on a regular basis through the Graduate Administration and its affiliated units in the colleges and invites them to participate in its activities and informs them about the latest developments taking place at the university.
- 3- The Graduate Administration provides a database that includes graduates, employers, professional bodies, and various work sectors.
- 4- Al-Jouf University is keen to send opinion polls to graduates, employers, professional bodies and various sectors of work to obtain their opinion on the learning outcomes of the program and university graduates and inform them of the results of the opinion polls, improvement plans and decisions taken.
- 5- Al-Jouf University offers free training courses for graduates to know about the latest developments in the specialization, at the rate of a training course each semester.
- 6- Al-Jouf University invites employers, professional bodies and various work sectors to participate in the university's activities.
- 7- Al-Jouf University organizes the Graduate Forum every year.

8- Al-Jouf University organizes the Career Day Forum on a regular basis.
