

## **CURRICULUM VITAE**

• Name: shawgi AbdElrhman Elsiddig Mohammed

• **Date of birth:** 1/1/1975

• Nationality: Sudanese

• **Religion**: Muslim

• Passport Number: p00636153

• Marital status: Married

• **Job:** Assistant professor Omdurman Islamic University &University of Science and Technology & Aljouf University Kingdom of Saudi Arabia

• **Email**: shawgi1975@ hotmail.com

• **Mobile Phone**: Sudan 00249122951690 Saudi Arabia 0507069007

#### **Address of correspondence:**

• Omdurman Islamic University

Faculty of Medical Laboratory Sciences

Histopathology & Cytology Department

• Mobile: 00249122951690

• E-mail: shawgi1975@ hotmail.com

## **Academic Qualification:**

PHD	OMDURMAN ISLAMIC UNIVERSITY	Histopathology& cytology (very good)	2012
Master Degree (M.S.C)	Sudan University of science & Technology	Histopathology & Cytology	2005

Qualifying Year	University of Juba – Faculty of Medicine	Immunology, Molecular Biology, General pathology, parasitology, Epidemiology (very good)	2003
Bachelor Degree (B.S.C)	University of Science and Technological	Histopathology &cytology (Very good)	2001

# **Work Experiences (Teaching)**

POST	EMPOLYER		PERIOD	
(job title)		FROM	то	
Teaching assistant	University of Science and Technology, Medical laboratory science, Department of histopathology & cytology	August 2002	August 2005	
Lecturer (Full time)	University of Science and Technology, Medical laboratory science, Department of histopathology & cytology	Sep 2005	May 2012	
Lecturer (Full time)	Omdurman Islamic University, College of medical, Laboratory science, department of histopathology & cytology	April 2007	May 2012	
Lecturer (part time)	University of Juba , College of medical, Laboratory science, department of histopathology & cytology	Sep 2005	may 2012	
Assistant Professor	Omdurman Islamic University, University of Science and Technology College of medical, Laboratory science, department of histopathology & cytology	May 2012	October 2012	
Assistant Professor	Aljouf University, College of Applied Medical Sciences/ Department of Clinical Laboratory Sciences	October 2012	Until Now	

**Administrative Experience** 

JOB TITLE	EMPLOYER	PERIOD
Head of the department ( histopathology & cytology)	Omdurman Islamic University(College of medical, Laboratory science)	2007 - 2012

Head of Academic Extension Unit	University of Science and Technology (College of medical, Laboratory science)	2008 - 2012	
Head of Laboratory Unit	Aljouf University	2014 - 2020	
Member of the Committee of Plans and Curricula	Aljouf University, College of Applied Medical Sciences	2016-2018	
Member of the Committee of Tables and Tests	Aljouf University, College of Applied Medical Sciences	2014 - 2020	
Member of the Quality Committee	Aljouf University, College of Applied Medical Sciences	2017 - 2018	
Member of the student excuses committee	Aljouf University, College of Applied Medical Sciences	2015 - 2019	

### **Work Experiences Medical Laboratory Technologist**

JOB TITLE	EMPLOYER	PERIOD
Medical Laboratory	Histotechnologist – department of	2005-2007
Technologist	histopathology & cytology – Alnaw teaching hospital	
	Almobark Center	2007-2012

#### **University Teaching:**

# Courses Taught at Omdurman Islamic University &, University of Science and Technology & Aljouf University

- Theory & practical cytopathology
- Theory & practical general pathology
- Theory & practical of histological technology
- Theory & practical immunohistochemistry
- Theory & practical Pathophysiology
- Electron Microscope.
- Laboratory Management

#### **Research Interest**

- Cancer Research
- Immuno-histochemistry and Cytochemistry
- Cytopathology.
- Histopathology (Frozen and Paraffin sections).

#### COURSES

Electron Microscope	University of Khartoum	2001
Immunohistochemistry	Alzarra Hospital	2004
Computer Diploma	University of Juba	2003
SPSS	University of Juba	2003
Immunohistochemistry Course	Immunotechnology & Cancer Research	2003

# Workshop

College of science, University of Khartoum	Electron microscope	2002
College of Applied medical science, Aljouf		2013
university	Vitek 2 system	
College of Applied medical science, Aljouf		2013
university	Hb Gel Electrophoresis	
College of Applied medical science, Aljouf		2013
university	Real time PCR	
College of Applied medical science, Aljouf university	Smart board	2013
University of Science& Technology(Faculty of (Medical laboratory Science) (Sudan	Workshop of cytology	October ((2007
College of Applied medical science, Aljouf university	Electron Microscopy	2013
University of Science& Technology(Faculty of Medical laboratory		
	Colposcopy workshop	February
Science – Faculty of Medicine)	Colposcopy workshop	(2010)
National Center for Research (Egypt)	Medical Test	14/2/2010
Dako Academy	IHC Workshop	December (2009)
University of Science& Technology(Faculty of Medical laboratory Science – Faculty of Medicine)	Workshop of cytology	October (2007)
Supreme Commission for Accreditation and Assessment	Foundations Calendar	24/12/2006 To 27/12/2006

# **Conference**

University of Science& Technology		
(Faculty of Medical laboratory Science)	The first International Cervical Cancer Conference	October (2007)
University of Science& Technology(Faculty of Medical laboratory Science – Faculty of Medicine)	The Third International Cervical Cancer Conference	February (2010)

#### **Professional Society Activities:**

1/ Member of Medical histopathology &Cytology department, Faculty of Medical Laboratory Sciences University of Science& Technology,

2/ Member of Sudanese Union of Medical Laboratory Technologist since 2004.

#### Published research

- Evaluate Histological Changes and Resistance to Antibiotics Profile of Bacteria Causing Burn Infection
   September 2019 Journal of Pure and Applied Microbiology 13(3) Follow journal Shawgi A. Elissidig & Samy Selim.
- Impact of Prostate Specific Antigen and Testosterone Hormone Levels in Patients of Benign Prostatic Hyperplasia in Khartoum State-Sudan

Ayman A.M. Alameen , Thawiba A.M. Osman, Shawgi A. Elissidig and Muhammad Atif

-Association of Cytokeratin and Vimentin Protein in the Genesis of Transitional Cell Carcinoma of Urinary Bladder Patients

Arshad H. Rahmani, 1 Ali Y. Babiker, 1,2 Wanian M. AlWanian, 1 Shawgi A. Elsiddig, 3,4 Hassan E. Faragalla, 5,6 and Salah M. Aly 7.

- **Ultrasound** guided fine needle aspiration cytology and cellblock in thediagnosis of focal liver lesions at Khartoum Hospital, SudanSeptember 2012. Ahmed A MohmmedShawgi ElsiddigMohamed Abdullhamid Ishag Adam.
- Perception and Knowledge toward Breast Cancer Prevention and Early Detection: A Comparison between Saudi and Sudanese

Abdelbaset Mohamed Elasbali 1\*, Mohammed H. Saiem Al-Dahr 2, Dina Alshammari 3, Ziad Al-Onzi 6, Shawgi A. Elsiddig 4,5, Waleed S. Mohamed 1 and Mohamed Nabil 1, Hussain Gadelkarim Ahmed 7,8.

- Expression of HER2 and BRCA1 in Breast Tumors among Sudanese Women, Immunohistochemical Study Mohamed Ahmed Mohamed Osman1, Saadalnour Abusail Mustafa2, Ihab Hamed Nourein Hamed3, Faris Merghani Eltom4, Shawgi Abdelrhman Elsiddig5, Rabab Ali Alhag (5).
